

INTRO. TO BOOTSTRAP

Week 11.1 - IST 263

GRID.CSS

- Is anyone planning on using it in their project?
- Why did you choose to use it?
- Reconsider using Bootstrap instead

SOFTWARE FRAMEWORKS

- Software that provides reusable functionality that can be selectively changed
- Helps reduce time spent on development & testing
- Provides a standard way to build and deploy

BOOTSTRAP FRAMEWORK

Released by Twitter in 2011

HOW TO START WITH BOOTSTRAP 4.5
